

Pamper Party Mini Treatments

Introducing "The Minis", a bespoke selection of specifically designed mini treatments for your Pamper Party. All treatments are express versions of my classic beauty treatments, but have been tailored to fit in perfectly with your party.

Pamper Party Packages, for a **minimum of 5 people**, are available in time slots of **30 minutes, 45 minutes** and **60 minutes**. All you and your guests need to do is decide how much time you'd like to spend being pampered and which treatments you'd like. Leave the rest to me & my team of therapists!
